## HIGH-COUNTRY CULTURE

A STROLL DOWN CRESTED BUTTE'S Elk Avenue is always time well spent, but when that stroll takes place during this charming mountain town's annual arts fest, it becomes a day to remember. In its 41st year, the Crested Butte Arts Festival features 175 artists from around the world as well as entertainment, culinary demonstrations and an auction that benefits art education. ## SANDOVAL Does it Again

CHEF RICHARD SANDOVAL, dubbed the "Father of Modern Mexican Cuisine," is already a household name around these parts, thanks to delicious Denver hotspots like La Sandia and Zenga, and Venga Venga in Snowmass. Now, with the recent opening of Maya (in the Westin Riverfront Resort & Spa), folks in Beaver Creek can indulge in Sandoval's signature dishes, unique guacamole—made fresh at your table—and over 100 types of tequila. ## Mid-Century Celebration

MID-CENTURY MODERN furniture continues to be all the rage, with both original vintage pieces and new modern designs snapped up by savvy trendsetters. Hans Wegner's Shell Chair is a truly iconic piece that makes us swoon, and in celebration of its 50th anniversary, Carl Hansen & Son has teamed up with Maharam to release 20 special versions of this oh-so-cool chair. Available this fall through Design Within Reach, more information about this collaboration can be found at [maharamshellchairproject.com](http://maharamshellchairproject.com).

## Back to the Future

THE FUIRORE SUSPENSION contemporary light fixture, with its sleek finish and industrial-like glass, feels both retro and futuristic. Conceived by the super-cool German design group Supergrau, this collection also includes table and wall lamps and is available in finishes like matte black and copper. Available through Mondo Collection, [mondocollection.com](http://mondocollection.com)

## From the Farm to the Barn

THIS YEAR'S STEAMBOAT Wine Festival, which takes place August 7-11, once again kicks off with its scrumptious "Farm-to-Barn" dinner. Be one of the lucky few to experience a Colorado-inspired, five-course dinner, prepared by chefs Kate Rench, Jason Salisbury and Brian Vaughn. Each course will be perfectly wine-paired and served in the picturesque Larson Barn. Tickets are \$165 and proceeds benefit Steamboat Adaptive Recreational Sports.
