20. Authentic delft tiles crafted using 17th century techniques are available in the US through **DUTCH TILE INC**. Each tile is hand formed and hand painted at a workshop in Holland. Select images from their catalogue of historic designs, mix and match your favourites, and customise your colours. Explore www.dutchtile.com follow @dutchtileinc on Instagram or contact info@dutchtile.com

21. KLINE INTERIORS create homes that balance beauty and function, guided by a personal sensibility and a depth of consideration that is felt more than seen. The studio was shaped by a deep respect for structure, makers, and the quiet discipline behind meaningful work. Visit klineinteriors.com follow @klineinteriors on Instagram or email kelsey@klineinteriors.com

22. LAPICIDA MARBLE, STONE & PORCELAIN. Specialists in exclusive designs for exceptional interiors. From exquisite stone baths and bookmatched marble to genuine antique reclaimed stone and luxury porcelains. New designs always being sourced with many held in stock. A new Yorkshire slab warehouse supports inspirational showrooms in Belgravia and Harrogate. Visit www.lapicida.com and follow @lapicidastone on Instagram.

23. Handcrafted in Florence by the artisan workshop **IL BRONZETTO**, the Heliconia wall light blends botanical suggestion with refined craftsmanship, it is laser-cut from a iron layer and hand-finished, each piece is different, alive, like in nature no one leave is identical to another. Buy your unique Hortus sconce online on ilbronzetto.com

24. The Illusion Sofa by Sidani Design was conceived around a simple question: why should a curved sofa consume the space it was meant to complete? Generous in proportion, considered in footprint, it finds its place in a corner and makes the room feel resolved. Fully customisable. Available through **MONDO COLLECTION**. Visit mondocollection.com and follow @mondocollectionny and @sidanidesign on Instagram.

25. ANNE PEARSON DESIGN is a full-service interior design firm in Charlotte, NC, blending classic elements with fresh, unique materials to craft serene, layered interiors. Their approach creates timeless, collected spaces that feel personal, inviting and beautifully tailored to each client's lifestyle.
