Photo Anna Torfs

## Energy and wit

With cunning technical manipulation, Anna Torfs handcrafts unique, limited-edition pieces that are both dynamic and exquisite.

## Out of Afrika....

Sleek and minimal, like a well-tailored suit, this collection from Carmenes shows lacquered metal bars for a sassy pop of colour.

Photo Bruehl

## Morning dew

In a budding romance between green living and floral elegance, this colourful armchair stretches elegantly towards the light.

Photo Timothy Oulton

## Spitfire

Timothy Oulton's Raleigh hard cases, with their iconic spitfire finishes, take a cue from Britain's historic WWII fighter planes.

## Egg on a mission

Stephen Turner's Exbury Egg is the first waterborne artist's studio to make art while examining the changing patterns of marine ecology.

## Always surprising

Irreverent and unexpected. Bold colours and striking graffiti create a perfectly personalized balance between traditional and contemporary. This one's for a Ferrari fan.
