**Mondo Collection** specializes in introducing the work of master artisans from around the globe to the New York design community. Its merchandise includes such sophisticated items as Nada Debs' Web dining table, featuring a metal base available in gold leaf; Damien Langlois-Meurinne's By the Trees side table, offered in an array of lacquered hues; and the Art Deco–inspired Brubeck wall sconce. With an aesthetic that prizes the groundbreaking and singular, Mondo represents the cutting edge of international design. —*R.L.* **L**
