

Bamboo Barstool

SKU: PRIMODY-403-NT060

Product type: Indoor Barstool

22.8" W x 18.5" D x 35.4" H

Bamboo is known to be one of the most strong and elegant trees in nature. Therefore, pairs of metallic tubular feet, connected by metal details, that holds the upholstery structure, inspired us to create Bamboo bar chair giving to any room division a classy touch and character.

MATERIALS: The upholstery is available in COM , Fabrics or leather.
FINISHES: Metal legs and details.
