Technical Info EN

2018

Burin is a symbolic tribute to traditional wood carving tools.

The unmistakable silhouette of the base runs through this extension of the collection to include a new table with a central base, available in different heights and a double version for large surface areas.

Conceived for both homes and community spaces, the new Burin table gives continuity to the family that was launched in 2011 with the side table designed by Patricia Urquiola.

## Patricia Urquiola

Patricia Urquiola was born in Oviedo (Spain) and currently lives and works in Milan.

She graduated from the Faculty of Architecture at the Technical University of Madrid in 1989, after completing a thesis with Achille Castiglioni. From 1990 to 1992, she was assistant lecturer to both Achille Castiglioni and Eugenio Bettinelli at the Milan Polytechnic and the E.N.S.C.I. in Paris.

Between 1990 and 1996, she worked in the new product development office of De Padova and, with Vico Magistretti, signing the products: "Flower", "Loom sofa", "Chaise" and "Chaise Longue".

From 1993 to 1996, she worked with the architects de Renzio and Ramerino and was engaged in architectural design, showrooms, restaurants and franchising (Maska/Italy, Tomorrowland Stores/Japan, Des Pres/France).

In 1996 she became head of the design department at Lissoni Associati, working for many different international brands.

Her products were selected for the Italian Design 2001 exhibition. In 2001 she was chair of the jury for the 19th CDIM Design Award and was lecturer at the Domus Academy.

She is currently working in her own practice in Milan in the fields of design, exhibitions, art direction and architecture.

## ACCESSORIES

For the different table tops, we offer the possibility of installing the following accessories. The drawings with the location of the accessories need the approval of the technical department.

### **CAP\*** rectangular conduit

Metallic access cover to the lower part of the table. Available in white, black or grey. Does not include electrifications. Dimensions: 32x15 cm | 12.59"x5.90".

*\*Cut out not included*

### **CAPP\*** rectangular conduit plus

Metal access cover to the lower part of the table, for wooden table tops. Metal frame available in black or grey and central part in the veneer of the finish of the table. Does not include electrifications. Dimensions: 32x15 cm | 12.59"x5.90".

*\*Cut out not included*

### **BOX-E\* | BOX-M\*** power box for table top

BOX-E: 4 plugs | BOX-M: 4 elements (plugs and multimedia). Metal cover with 4 plugs or combined with integrated multimedia elements. Available in white, black or grey. Dimensions: 32x15 cm | 12.59"x5.90".

*\*Cut out not included*

### **BOXP-E\* | BOXP-M\*** power box plus for table top

Metal cover with 4 plugs or combined with integrated multimedia elements, for wooden table tops. Metal frame available in black or grey and central part in the veneer of the finish of the table. Dimensions: 32x15 cm | 12.59"x5.90".

*\*Cut out not included*

### **CUBO** powebox under top

Power box available with 2 plugs or combined with integrated multimedia elements. Metal frame available in white or black.

## ACCESSORIES

---

### **BUUSB**

USB port

USB port for charging electronic devices totally integrated in the table. Available in white or black. Dimensions: Ø 3 cm | 1.18"

### **BUWI**

wireless charger

Concealed wireless charger that is compatible with all devices with Qi version 1.2 wireless charging system. It has a quick charge system.

### **BUTC**

pop-up sockets

Hidden pop-up socket cylinder in stainless steel finish comprising 2 Schuko sockets or 1 Schuko socket + 2 charging USB. For different configurations, consult the sales department. The cylinder slots away in the tabletop, and pops up by gently pressing on it, offering the possibility of connection on four sides.

*NOTE: Not available for compact.*

## TECHNICAL INFO

**Base** – central support available in roto-moulded polyethylene in white, black or sand.

**Table top** – the 30 mm | 1.18" thick cover or work surface is made with microtextured MDF. It is lacquered with one of our collection's finishes, making it very scratch resistant. It also comes with a solid oak veneer, stained in mate, wenge, cognac or ash. Available in high resistance materials such as HPL with MDF for heavy contract use.
