

MONDO

Naica Armchair

SKU: PRMODY-402-NT058

Product type: Indoor Armchair

42.2" W x 33.4" D x 31.5" H

Naica lies on an ancient fault above an underground magma chamber. The main chamber contains giant selenite crystals, some of the largest natural crystals ever found. Naica sofa is inspired in the mineral formations, it represents the organic forms created by nature in its design and fabrics.

MATERIALS: The upholstery is available in COM, Fabrics or leather.
FINISHES: Frame in solid wood.
